*"I was a junior counselor at Camp Okizu for the siblings of Cancer kids. It was a great experience for me and I was able to be a role model to four great little girls who were going through the same things that I did. I hope to return there for many summers to come."*

-Bethany O., Teen SuperSib

*"I was able to attend Camp with my sister one summer, and it was one of the most positive experiences of my life. I was able to connect with other siblings and share experiences and feelings with others who truly understood what I was going through."*

-Sarah Hunter, *SuperSibs!* Scholarship Recipient 2007
