Sib Receives Scholarship:

William Hanson of Colville, Wash., grandson of Jean Hockaday and nephew of Renee Daly, both of Casper, has been awarded one of five national scholarships to siblings of children with cancer from *SuperSibs!*, a national nonprofit that supports, honors and recognizes siblings of children with cancer.

William is the son of Laurie and Rick Hanson, a 1978 Kelly Walsh graduate.

His brother, Nate, was diagnosed in 2005, but recovered sufficiently to attend Northwest Nazarene College, where he just completed his second year.

William will use his \$5,000 award to attend Northwest Nazarene as well, studying pharmacy and work towards his goal of research on the long-term impact of chemotherapy on cancer survivors.
